

Vi20

OIL

VARIETIES Made entirely with Arbequina olives under the DOP Siurana by a collaborating mill.

TASTING NOTE

Appearance Clear oil with a golden yellow color and greenish nuances.

Aroma It stands out for its medium-high fruity character, where fresh notes of cut grass and tomato plant intermingle with sweet aromas of green apple and fresh almond.

Taste It offers a pleasant and very fluid entry with an initial sweet sensation, followed by a perfect balance where the bitterness is almost imperceptible and the pungency (spiciness) manifests itself very lightly and harmoniously at the back of the throat.

PAIRING AND CONSUMPTION RECOMMENDATION

Es un aceite elegante y versátil, ideal para consumir en crudo sobre rebanadas de pan, ensaladas o pescados, así como para potenciar el sabor de la repostería fina.
